No. C 409 of 22-23 Dated 2/8-12-22 Received 9-12-22/11

Diary No. 1286	Enclos. 2	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that he is of opinion (1) that the system of providing meals on payment at certain chattrams converted into Rest-houses may be done away with at once, as it is quite unnecessary; (2) that the Rest-houses may be handed over to the Dt Bds and if they do not wish to take them up, they may be altogether abolished; and (3) that the list of Nekimidars may be well scrutinized and a saving of Rs [illegible] effected.

NOTES AND ORDERS.

In G.O. No. 804-17/Mug. F 177-14-10 & 11-10-16 certain Govt annachattrams were closed and were converted into Rest-h-s, with a small establ of a cook & care-taker. Subsequently, Kad-r & Tarikere chattrams were abolished and converted into Rest-houses as well as those at Varuna & Yelandur. The Sibi chattram has also been ordered to be closed & converted into a Rest house.

The points for orders are contained in the Muzrai Commissioner's letter of the 2nd December 1922.(Flag.Z.)

He has submitted three proposals for consideration:-

i. That the 14 rest houses shown in statement (A) appended to his letter should be abolished and the buildings handed over to the District Boards. If the District Boards are not prepared to take up these buildings the question of disposing of them may be considered.

2. The rest houses mentioned in statement B numbering 10 which have no suitable buildings may be abolished altogether.

3 Revision of Nehimi allowances

The Muzrai Commissioner is of opinion that the system of providing food on payment to travellers at these Muzrai Rest Houses is quite unnecessary and is very little availed of. People generally desire to go to the hotels where it can be had cheaper. The Muzrai Commissioner estimates that if his proposals are sanctioned there will be an immediate savings of Rs.7539 per annum and this will increase to Rs.8727 per annum when the buildings are finally handed over to the District Boards. Besides the scrutiny of Nehimis is expected to result in a saving of Rs. 1000 or 1500 a year. Nearly 10,000 Rs. thus proposed to be utilised for providing additional funds for feeding at Tirupati Pulamasa Sa tarpana at Paschimavahini, Siva Kuta at Nanjangud, the Maharaja's Chattram at Mysore and the Barahazar Sanatrpana at Subramanya, proposals in respect of which are ed.

As regards the 14 rest houses included in statement A, attached to the Muzrai Commissioner's letter under disposal, 2 institutions at Varuna and Yelwal were never rest houses. When the chatrams at these places were abolished the buildings were handed over to the District Board. In regard to the remaining 12 rest houses, the Presidents of the Dist. Boards are agreeable to take over the buildings. The proposals of the Muzrai Commissioner to abolish the rest houses of these places may be sanctioned and the buildings handed over to the District Board. It is presumed that the buildings will be handed over without any payment by the District Boards. The District Boards are haraly likely to make any payments for these buildings. (Please see statement H.G.)

As regards the rest houses included in statement (B) which have no buildings at present the Muzrai Commissioner recommends that they may be abandoned. Kind reference is invited to statement (H/A) in which the opinions of the Dy. Commissioners are recorded and also the notes made in the Secretariat.

The Muzrai Commissioner may be requested to send up proposals after careful examination as to the extent to which expenditure now incurred on account of Nehimi charges can be reduced. If the above proposals are sanctioned, - proposals will have to be called for from the Muzrai Commissioner as regards the manner in which the amounts saved should be utilised for the purposes mentioned in his letter under acknowledgement.

Final Note by the Second Member of Council.

Subject:—

Abolition of rest-houses and their transfer to the control of the District Boards.

The Committee appointed in Government Order No.2066-7/F. 652-12-1 dated the 16th May 1913 for investigating the working and organization of the Muzrai Department having recommended the abolition of the annachattrams with the exception of such of them as were situated near renowned Shrines, Tirthas and some important centres, Government directed in their order No.804-17/M.F.177-14-10 dated 11th October 1916 that the annachattrams at the marginally noted places might be abolished and converted into rest-houses under the management of the Muzrai Department at an annual cost of Rs.9,321/- for nehemi and establishment charges.

* Mandya, Nagamangala, Krishnarajapet, Bherya, Tumkur, Mahishi, Shikarpur, Grama, Chennarayapatna, Banavar, Hoskote, Closepet, Chennapatna, Bidadi, Chellakere, Hangal, Komaranahalli, Mallur, Bowringpet and Kolar.

Subsequently the chattrams at Yelwal, Varuna, Kadur, Tarikere, Sibi, Sira, Shimoga and Mandagadde were also abolished and the buildings handed over to District Boards to be kept as Musafir-khanas.

Z 2. In December 1922 when I was Muzrai Commissioner I reported to Government, stating that in these days when almost every place of any importance can boast of private hotels where meals can be had for travellers at cheap rates, the Muzrai rest-houses are not generally resorted to by travellers for obtaining meals on payment and served no useful purpose and submitted the following propos ls-

for

for the orders of Government:-

(i) that the 14 Muzrai rest-houses shown in Statement A may be abolished and the buildings handed over to District Boards in consultation with them for being used as Musafirkhanas for the accommodation of travellers,

(ii) that the 10 rest-houses shown in Statement B which have no suitable building at present and for which new buildings were proposed to be constructed may be abandoned altogether,

(iii) that the list of nehemidars at each of these rest-houses may be thoroughly examined and scrutinised so as to reduce the number of nehemidars and the cost on them as far as possible, and

(iv) that the savings effected by the above proposals may be utilized to provide the additional funds urgently required for feeding at Tirupati, the Barahazar Santarpane at Subramanyam, the Tulamasa Santarpane at Seringapatam and Paschimavahani etc.

3. The Deputy Commissioners of Districts who were thereupon requested by Government to furnish their opinion in the matters in consultation with the District Boards, have reported that the District Boards are generally agreeable to take over these rest-houses and maintain them as musafirkhanas, and have accordingly recommended that the rest-houses may be abolished and handed over to the District Boards. The present Muzrai Commissioner, Mr. K. Chandy, has also supported the proposal.

4. The proposals, if sanctioned, will result in a saving of Rs.6,626-8-0 per annum which may be raised to about Rs.8,000/- by a reduction in the number of nehemidars attached to these rest-houses. This amount will be utilized for meeting the increased charges under Tirupati Charities, Barahazar Santarpane, Tulamasa Santarpane etc., for which additional funds are very badly and urgently required.

5. The proposals having been agreed to by the Dewan a draft order is put up accordingly and is herewith submitted for the gracious approval of His Highness.

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department.

Sir,

Adverting to the *marginally noted Government Orders sanctioning the revision of feeding arrangements in certain chattrams in the State, I have the honor to state that the Anna-chattrams maintained by the State were intended to provide for the free-feeding of travellers at important places on the high-roads at a time when the country had not been opened out by railways. The Government have decided in recent years that under the present altered conditions, the maintenance of these chattrams and the continuance of arrangements therein for free-feeding are unnecessary, except in a very few centres, and have accordingly ordered the abolition of some of these chattrams; but they have at the same time directed their continuance in another form as Rest-houses. A small establishment consisting of a cook and a ~~mmkxx~~ servant has been ordered to be maintained at each of these Rest-houses to provide meals to travellers on payment. That is to say that the Rest-houses are made to serve the purpose of hotels, the establishment and contingent charges of which are to be borne by Government. I do not think that in these days when private hotels are to be found in almost any place of importance there is any need for such an arrangement. I doubt very much if the travellers will care to go to Muzrai Rest-houses to obtain food for payment when it could be had at a much cheaper rate in any of

* No.804-17/M.F.177-14-10 dated 11-10-1916

" 2826-8/M.F.466-15-10 " 3-12-1921
" 6268-70/M.F.245-20-6 " 8- 5-1922.

of the ordinary hotels at the place. It seems to me that the cooks in these Rest-houses are having little or no work and that their services are used probably more by the local officers than by the travelling public. I am therefore of opinion that the maintenance of cooks at the Rest-houses to provide meals to travellers on payment is quite an unnecessary and unsatisfactory arrangement and may be put a stop to immediately. (1)

2. The next point for consideration is whether the Rest-houses should be continued to be maintained by the Muzrai Department merely to provide accommodation for travellers. At present the construction and maintenance of Musafirkhanas for accommodation of travellers is attended to by the District Boards as one of the legitimate functions of that body and I do not see the necessity for the Muzrai Department also taking up the work in addition. I think therefore that all the Rest-houses may be handed over to the District Boards for maintenance and if the District Boards do not wish to take up any of them, they may be abolished altogether and the buildings disposed of by sale or made over to any other Department of Government that may require them.

3. The question of nehimidars may be also considered in this connection. At present the Nehimi charges in these Rest-houses amount to Rs.4,412-4-0. How far these charges are regular and authorised and to what extent they may be reduced require thorough examination.

4. I therefore beg to submit the following proposals for the consideration and orders of Government:--

(a) that the 14 Rest-houses shown in statement A should be handed over to District Boards in consultation with them. Pending the completion of arrangements for their transfer, only a care-taker on a pay not exceeding Rs.8/. per mensem with a contingent grant of Re.1/- a month, may be entertained for them, the remaining establishment being forthwith dispensed with. If the District Boards are not prepared to take up any of these buildings, the question of disposing

29

disposing of them by sale or by handing them over for the use of any of the other Departments of Government which may have use for them may be considered;

(b) that the remaining Rest-houses numbering 10 as shown in statement B which have no suitable building at present and for which new building had been proposed to be constructed may be abandoned altogether, and

(c) that the list of nehimidars at each of these Rest-houses may be thoroughly examined and scrutinized so as to reduce the number and the cost on account of nehimidars as far as possible.

5. If these arrangements are approved, they will result in a saving of Rs.7,539/- per annum immediately (including the sum of Rs.2,100/3/- set apart in para 4 of Government Proceedings No.804-17/ M.F.177-14-10 dated 11th October 1916 with a view to place on a footing of greater usefulness certain chattrams in the State situated at important centres) and Rs.8,727/- per annum eventually when the Rest-houses in statement A are handed over to the District Boards. Besides, the scrutiny of the list of nehimidars, may be expected to result in a saving of Rs.1,000/- to Rs.1,500/- a year.

6. The savings effected as above may be utilized for providing additional funds required for feeding at Tirupati, Maharaja's chattram at Mysore, Tulamasa Santarpane at Seringapatam and Paschimavahini, Sivakoota at Nanjangud and the Parahazar Santarpane at Subrahmanya - proposals in respect of which will be elaborated and submitted for orders of Government separately.

I have the honor to be,

S i r,

Your most obedient servant,

Muzrai Commissioner.

With reference to your letter No. 2,268-9/22-23-3 dated the 12th January 1923 in the matter of taking over the rest houses at Kolar and Malur under the Local Boards, I have the honour to state that the question has been considered by the Local Boards of Kolar and Malur and by the District Board.

2. The Kolar and Malur Boards are of opinion that the rest houses in Kolar may be taken over by the District Board and the two Taluk Boards may be responsible for the upkeep of the rest houses in their respective Taluks. The District Board has not yet finally disposed of the matter and will have resolved to take over the rest houses in question by the 1st April 1923.

3. Copy of their resolution is enclosed for the information of Government.

Sir,

I have the honour to forward herewith a letter from the President of the District Board stating that he would forward the Board's resolution on the subject of transferring Rest Houses to the District Board, after discussion at the next meeting of the Board. I am not in favour of Muzrai Rest Houses being transferred to District Boards. The capital cost of the Rest Houses belonging to the Muzrai Department is large and the principles of managing these Rest Houses have hitherto been those followed by the Muzrai Department and I believe that a large section of public opinion will be against the proposed transfer to District Boards of Rest Houses which have a large capital value belonging to the Muzrai Department especially if no guarantee is given that the Rest Houses will be managed by the District Board on the same principles as are adopted by the Muzrai Department.

Abolition of Muzrai Rest Houses in the State:-

On the recommendations of the Committee appointed to report upon the working of the Muzrai Department, Government in their Order No.804-17/M.F.177-14-10 dated 11th October 1916 sanctioned the stoppage of free feeding in the 20 chattrams noted in the margin and their conversion into suitable Rest-houses for the convenience of the travelling public with an establishment sufficient to answer their requirements and to provide meals on payment.

2. Rules for the occupation and supervision of these rest houses were also published in Government Order No. 1620-31/M.F.51-18-2 dated 27th December 1918.

3. The aggregate tasdik allotment of these 20 chattrams which amounted to Rs. 14,001-15-0 was distributed as follows:--

(i)	Fixed payments to Nehimidars ...	Rs. 3,682-4-0
(ii)	Cost of establishment etc., for the newly constituted Rest-house	5,639-3-0
(iii)	Tirupati Charities	1,080-0-0
(iv)	Tulamasa Santarpane at Seringapatam and Paschimavahini	1,500-0-0
(v)	Reserve to place on a footing of greater usefulness chattrams at important centres	(x) 2,100-0-0

(x) (A grant-in-aid of Rs. 150/- a year has since been sanctioned out of this to the Local Fund Chattram at. Chickballapur).

4. Subsequent to these orders of the closing of the chattrams at (i) Elwal, (ii) Varuna, (iii) Kadur, (iv) Tarikere, (v) Mandagadde and (vi) Sibi has also been sanctioned.

The buildings at Elwal, Varuna, Channapatna and Mandagadde together with the vessels etc., belonging to them have already been made over to the District Boards of Mysore, Bangalore and Shimoga Districts respectively for being maintained as Musafir-khanas. The tasdik grant of the first two chattrams less the fixed Nehimi charges was transferred to Tirupati charities.

The building at Sibi in the Tumkur Taluk has been maintained as a simple rest-house with an establishment costing Rs. 9/- a month but without arrangements for catering to the travelling public.

Of these, the nine marginally noted rest-houses do not exist at present as there are no buildings for them. The construction of suitable buildings at these places has been deferred pending disposal of the general question of the abolition of rest-houses in the State.

1. Hosa Agrahara,
2. Maddagiri,
3. Mahishi,
4. Shikaripur,
5. Chennarayapatna,
6. Banavar,
7. Halebid,
8. Chellakere,
9. Robertsonpet.

6. As the rest-houses served only the purpose of hotels, the establishment and contingent charges of which were borne by Government, Mr. K.R. Srinivasa Iyengar, the late Muzrai Commissioner thought that in these days when private hotels were found in almost any place of importance, there was no need for such an arrangement and accordingly recommended that the rest-houses may be handed over to the District Boards for maintenance and if the Boards did not wish to take up any of them, they might be abolished altogether and the buildings disposed of by sale or made over to any other department of Government that may require them.

He also proposed that the savings effected by the abolition of these rest-houses may be utilised for providing the additional funds required for feeding expenses at Tirupati, His Highness the Maharaja's chattram at Mysore, Tulamasa Santarpane at Seringapatam and Paschimavahini, Sivakoota at Nanjangud and the Barahazar -

Barahazar Santarpane at Subrahmanya.

The Revenue Secretary to Government requested in his letter No.2035/M.F.268-22-2 dated 12th January 1923 that the opinion of the Deputy Commissioners concerned may be obtained and furnished.

~~The Revenue Secretary to Government~~

In reply to the Circular letter issued from this office (vide letter C.No.409/22-23 dated 22nd January 1923) replies from the Deputy Commissioners have been received. The reply received from the Hassan District is incomplete in so far as it relates to the Grama Rest-house.

7. KADUR DISTRICT:- (a) The Presidents of Kadur and Tarikere Municipal Councils are agreeable to take over the buildings for maintenance and the Deputy Commissioner, Kadur District is agreeable. I agree with these recommendations.

TUMKUR DISTRICT:- (b) The District Board of Tumkur has expressed the general opinion that its present finances do not admit of its taking charge of any of the rest-houses for their maintenance. The Deputy Commissioner, Tumkur District, is of opinion that there is no necessity for a rest-house at Maddagiri where there are 3 or 4 private choultries for the accommodation of travellers and a sufficient number of hotels for their use and that the proposal to establish a rest-house at the place may be abandoned.

The rest-house at Sibi may perhaps be attached to the temple at the place for being kept as a Musafirkhana for the benefit of the travellers and devotees visiting the temple, the small establishment charge being met from Chattram Funds.

KOLAR DISTRICT:- (c) The District Board of Kolar District are prepared to take over the rest-house of Kolar and Malur under

under their management, and they may therefore be handed over.

The proposal to establish a rest-house at Robertsonpet may be dropped as apparently no action has been taken in furtherance of the Government Orders on the subject.

CHITALDRUG DISTRICT: (d) The District Board of Chitaldrug have agreed to take over the rest-house at Hangal in the Molakalmuru Taluk under their control. This may be transferred to that body.

The question with regard to the maintenance of the rest-house at Komarananalli and Chellakere does not arise at all, as the rest-house at the former place is located in a portion of the temple building and as there is no building at the latter and these may be conveniently abolished.

MYSORE DISTRICT:- (e) The District Board of Mysore District are willing to take up the maintenance of the rest-houses in the District if they are allowed to levy fees for occupation etc., as in the case of Musafirkhanas. Rules published under the authority of Government Order No.1620-31/M.F.51-18-2 dated 27th December 1918 provide for a levy of a fee of 2 annas a day for each set of room after its occupation by the traveller after three consequtive days. These rules have been framed on the model of rules prescribed for Musafirkhanas and they may be made applicable in the case of Muzrai Rest-houses transferred to the District Board.

But the Deputy Commissioner is of opinion that as Hosa-Agrahar in the Yedatore Taluk is a place where there is a Railway Station and as accommodation for travellers in that village is very necessary, a building for the rest-house may be constructed from the accumulated funds of the late Bherya Chattram and handed over to the District Board for maintenance. Hosa Agrahara is not a place of pilgrimage or of any great importance. The construction of a Musafirkhana is a legitimate charge on the funds of the

District Board. The Muzrai Department cannot contribute any funds for the construction of the proposed building as recommended by the Deputy Commissioner.

SHIMOGA DISTRICT:- (f) There being no buildings available for use as rest-houses at Shikaripur and Mahishi, to be handed over to the District Board, the Deputy Commissioner recommends that the proposal to establish the rest-houses at those places may be abandoned altogether. I agree with the Deputy Commissioner's recommendation.

HASSAN DISTRICT:- (g) The District Board of Hassan are not willing to take over the management of the building at Banavar.

The old chattram building at the place was ordered to be sold and a new one built near the Railway Station. What action was taken on this proposal is not reported. As apparently no action has been taken, the question may be dropped. The old building may be sold and the realizations added to the corpus of the "General Muzrai Fund".

The District Board are agreeable to take over the Rest-house at Halebid if the building is completed and handed over to them free of cost. A portion of the tasdik grant endowed to the Grama Chattram was transferred to Halebid for opening a rest-house for the benefit of the numerous visitors. The construction of a suitable building from out of the funds of the Grama Chattram is supported by the Deputy Commissioner. I am of opinion that no building need be built at the cost of the Muzrai Department for the benefit of the sight-seers.

No tasdik grant is now allowed to the rest-house at Grama. It has a small extent of inam lands and has to be maintained out of proceeds therefrom. This may perhaps be allowed to continue.

There is no building for the rest-house at Chennarayapatna and the institution can therefore be conveniently abolished, but

but the residents of the place have represented to the Dewan in the course of his recent tour that as there is sufficient money at the credit of the rest-house, a building may be put up for the benefit of the travellers, Heads of Mathas etc., visiting the place. I submit the matter for the orders of Government.

BANGALORE DISTRICT:- (h) The Deputy Commissioner is not in favour of transferring the Rest-houses to District Board. He is of opinion that the present arrangement may continue. I am of opinion the Rest-house buildings at Bidadi, Closepet and - Hoskote, which are in fairly good condition may be handed over to the District Board, if they agree to take them, or disposed by sale, as none of these places are either places of pilgrimage or of importance.

8. The disposal of the amounts set free by the adoption of the above proposals together with the sum of Rs 1,950-0-0 referred to in para 1 supra may be considered later on.

9. The cash and invested surpluses available at the credit of these institutions may after defraying the charges on account of bonus payable to displaced servants and other incidental expenses, may be added on to the corpus of the General Muzrai Fund and invested in interest-bearing securities for the exclusive use of charitable institutions, grant of first day's Bhiksha to - Mathadhipathis visiting Bangalore and for other purposes not inconsistent with the objects of the original endowments.

10. The replies received from the Deputy Commissioners are submitted for reference and kind return.

Muzrai Commissioner.

Sir.

With reference to your letter No.C.4 9 of 23-25 dated 12/22nd January 1923 forwarding for my opinion a copy of Mr. V. P. Srinivasa Iyengar's letter to the Revenue Secretary re the handing over of certain Rest Houses to District Boards, I have the honour to state that I am not in favour of Mysore Rest Houses being transferred to District Boards. The original cost of the Rest Houses belonging to the Mysore Department is large and the principles of maintenance of these Rest Houses have hitherto been those followed by the Public Department and I believe that a large section of public opinion will be against the proposed transfer to District Boards. Rest Houses and the large Capital value belonging to the Mysore Department; especially if no guarantee is given that these Houses will be kept up by the District Board on the same principles as are followed by the Public Department.

2. There are at present three Mysore Rest Houses in the District, viz. one at Doddaballapur, the second at Nelamangala and the third at Hoskote. The estimated annual income of the former two Rest Houses is Rs.25/- while that of the latter is over Rs.2 per annum. The present arrangement may continue.

I have the honour to be,
Sir,
Your obedient servant,

Deputy Commissioner, Bangalore District.

Sir,

In continuation of my letter No. 352-22/H.C. dated the 10th August 1923, regarding the abolition of Muzrai Rest Houses in the Hassan District, I have the honor to forward herewith a copy of letter No. 678-22/L.F. dated the 13th ~~instant~~ ultimo, together with a copy of the resolution of the District Board in the matter. It may be seen from the resolution that the Board are not in favour of taking over the management of the rest house at Banavar and that they are agreeable to take over the rest house at Halebid, if it is completed and handed over to them free of cost. As stated by them, there is no rest house at Channarayapatna the opinion of the Board regarding the Rest House at Grama is awaited.

I have the honor to be,

Sir,

With reference to your letter No:C.409 of 22-23 dated 19th January 1923 calling for my opinion in the matter of handing over certain rest houses to District Boards for maintenance and closing of certain ~~others~~ others, I have the honor to state that it is ascertained that there are no rest Houses in the District where meals are provided to travellers on payment and so no action seems to be necessary in this direction as contemplated in para 1 of Mr. K.T. Srinivasa Iyengar's letter.

2. There are no rest houses either, of the kind referred to in statement 'A' to be handed over to the District Boards and a copy of the resolution in this behalf of the District Board held in their meeting on the 28th March 1923 is enclosed for perusal. The two other institutions at Shikarpur and Nahisli referred to in statement 'B' which have no buildings of their own may be abandoned altogether as proposed in para 3 (b) of Mr. Srinivasa Iyengar's letter. The Sub Division Officer of Sagar, however, recommends the one at Shikarpur be maintained with a suitable building being constructed therefor. The reason urged in this behalf is not quite convincing and should accommodation be necessary for the public at the place, the District Board may be asked to provide a building for the convenience of the travellers by constructing a musafirkhana.

SIR,

With reference to your letter No. C.409/22-23 dated 19/22nd January 1923 calling for my opinion on the proposals of Mr. K.R.Srinivasa Iyengar re the handing over of the muzrai Rest Houses in this District, to the District Board for maintenance and other connected questi I have the honor to state, after consulting the local officers on the subject that the Rest Houses at Mandya, Krishnarajapet, and Nagamangala may be closed and the buildings handed over to the District Board for maintenance as musafirkhanas, as proposed by the Muzrai Commissioner as these Rest Houses are not in fact, serving any useful purpose to the travelling public. The District Board are willing to take up the maintenance of these buildings if they are allowed to levy fees for occupation as in the case of musafirkhanas. Pending the completion of arrangements for their transfer, only a care-taker on a pay of Rs 8/- per mensem with a contingent grant of Re 1/- a month may be entertained for each of these Rest Houses as proposed. After they are transferred to the District Board, even this small establishment may be dispensed wi At present establishment as per margin (Reverse) is maintained in the above Rest houses. The establishment at

Nagamangala

Nagamangala is ordered to be disbanded as already reported in my letter No. C.105/A-1920-21 dated 7th June 1923 as soon as the Rest House building is handed over to the Education Department temporarily. In Krishnarajapet, ~~Taluk~~ the present establishment will continue till the building is handed over It is only in Mandya, the establishment is heavy and requires immediate curtailment.

As regards abandoning the proposed construction of a Rest house at Hosa Agrahar, Yedatore Taluk, recently sanctioned by Government both the Amildar and the Sub Division Officer are of opinion that as Hosa Agrahar is a place where there is Railway Station and as accomodation for travellers in that village is very necessary the Rest house there may be constructed from the funds of the institution (which are reported to be Rs 5058=9=1 and the building handed to the District board for maintenance like other Rest houses. I agree with them. The plan and estimate for the construction of this building is called for from the Amildar under orders of Government.

As regards the reduction of nehmi charges, I herein enclose a statement furnishing particulars of allotment and Expenditure as at present, in each of the Rest houses and Chattrams under reference. This statement also furnishes information of amounts of allotment and expenditure on account of establishment. The question of reduction of nehmi charges requires careful examination before submission of definite proposals. The particulars now received from the Amildars in this respect are not quite complete. Further information has been called for from them in the matter and definite proposals will be submitted in due course. Till then the nehmi payments now in force will be continued. The question of curtailment of the allotment on this account may be considered afterwards.

Sir,

With reference to your letter No.C.409/22-23 dated the 19th January 1923, forwarding a copy of Mr. K.R. Srinivasiengar's letter No.C.409/22-23 dated the 8th December 1922, regarding the tranfer of rest-houses to District Boards and requesting to submit my views in the matter, I have the honor to state as follows:--

2. So far as it concerns this District, there are no rest-houses proposed to be transferred to the District Board, as can be seen from the statement A, enclosure to Mr. K.R. Srinivasiengar's letter under advertance. As for the rest house at Tumkur, shown in statement B, it was sold to the Municipality long ago and the proceeds have been duly credited to Government.

3. As there is a separate Musaferkhana newly built at Tumkur and maintained by the District Board, there seems to be no necessity for any rest-house there at all. Even at Maddagiri, it is reported that there are 3 or 4 private choultries for the accommodation of travellers and a sufficient number of hotels for their use. Therefore, even at Maddagiri, there seems to be no necessity for a rest-house.

4. The District Board have expressed their general opinion that their present finances do not admit of their taking charge of any of the rest-houses for their maintenance.

5. Dealing with the general subject regarding the necessity of -- maintaining cooks at the rest-house to provide meals to travellers

on

on payment, I am also of opinion that as there are in these days private hotels in almost all the places of importance to serve the needs of the travelling public, no traveller will generally go to a Musrai rest-house for obtaining food at a heavier cost and hence the establishment may be abolished.

Sir,

With reference to your letter No.C.409 of 22-23 dated the 22nd January 1923 forwarding for my opinion a copy of Mr.K.R. Srinivasiengar's letter regarding the handing over of certain rest-houses to District Boards for maintenance and the closing of certain others, I have the honor to state that there are no rest houses in this District to be transfered to the District Board. As for the rest houses at Halebid, Chennarayapatna and Banavar which are included in statement B and are recommended to be abonded, it seems to me that a rest house at Halebid is very necessary as the place is visited by many travellers on account of its famous temple which is ~~renowned~~ renowned for architectural beauty. The place does not contain a hotel and travellers will be put to some difficulty, if the rest house is abolished. With regard to the rest houses at Banavar and Chennarayapatna, the people of those places are urging for the constructions of Musafirkhanas and if the District Board are willing to construct Musafirkhanas at their own cost, there is no objection to abandon the construction of rest houses in those two places.

ORDER NO.

dated 17 4 1924.

In their Order No.804-17/M.F.177-14-10 dated 11th October 1916 Government sanctioned the abolition of free feeding in certain Muzrai annachattrams in the State and their conversion into rest-houses for the use of the travelling public who were to be provided with meals on payment; and in Government Order No.1620-3/Muz.51-18-2 dated 27th December 1918 certain rules were sanctioned for the occupation of these rest-houses by travellers. The Muzrai Commissioner brings to notice that

that these rest-houses serve no useful purpose as there are private hotels nowadays in almost all places of importance where travellers can get meals on payment. He further states that the construction and maintenance of suitable buildings for the accommodation of travellers is a legitimate duty devolving upon District Boards and that there is no necessity for the maintenance of rest-houses by the Puzrai Department for the purpose. He has accordingly recommended the abolition of these rest-houses and submitted two statements one (statement A) showing the rest-houses which are now in operation and the buildings of which may be handed over to the District Boards concerned if they wish to take them over and maintain them and the other (statement B) showing rest-houses which though included in the sanctioned list are not in operation as they have no buildings of their own at present. The several District Boards which were consulted in the matter have agreed to take the rest-house buildings under their management. The proposals of the Puzrai Commissioner are calculated to result in a saving of Rs.6,624/- per annum over Establishment charges and a further saving of Rs.1,000/- to Rs.1,500/- is expected to be effected by the reduction of the mehemies attached to these rest-houses.

2. Government are pleased to accept the recommendations of the Puzrai Commissioner and direct that the 22 rest-houses shown in the statement appended hereto be abolished and that the buildings in which the first 12 in the statement are now located be handed over to the District Boards concerned for the accommodation of travellers subject

89

to the condition that Government shall be entitled to take possession of the buildings at any time if they are not used for the above mentioned purpose and dispose of them in such manner as they may consider proper. The Deputy Commissioners are requested to take necessary action at once for making over the buildings to the District Boards, the establishment attached thereto being disbanded with effect from 1st July 1924 and report the result for the information of Government.

3. The Muzrai Commissioner is requested to carefully examine the expenditure on account of nehemi charges in respect of the rest-houses now ordered to be abolished and to send up proposals about the extent to which they can be reduced.

4. Separate orders will be issued in the matter of the utilization of the savings, which will be effected by the abolition of the rest-houses, for meeting some of the urgent requirements of the Department - such as Tirupati Charities, Barahazar Santarpane, Tulamasa Santarpane, Dasara Feeding at Mysore etc. Pending the issue of orders on this point the savings will be credited to the head of "Chattram Savings".

APPENDIX

Letter No. C. [illegible] 1923-24, dated the 8th December 1923 from the Mysore Commissioner to Mysore

Adverting to the [illegible] noted Government Orders sanctioning the revision of [illegible] arrangement in certain chattrams in the State I have the honour to say that the [illegible] chattrams maintained by the State were intended to provide for the free feeding of travellers at [illegible] places on the high roads at a time when the country had not been opened out by railways. The Government have decided that at present under the present altered conditions the maintenance of these chattrams and the continuance of arrangements therein for free feeding are unnecessary except in a very few centres and have accordingly ordered the abolition of some of these chattrams but they have at the same time directed their continuance in another form as Rest houses. A small establishment consisting of a cook and a servant has been ordered to be maintained at each of these Rest houses to provide meals to travellers on payment. That is to say that the Rest-houses are made to serve the purpose of hotels the establishment and contingent charges of which are to be borne by Government. I do not think that in these days when private hotels are to be found in almost any place of importance there is any need for such an arrangement. I doubt very much if the travellers will care to go to Muzrai Rest house to obtain food for payment when it could be had at a much cheaper rate in any of the ordinary hotels at the place. It seems to me that the cooks in these Rest-houses are having little or no work and their services are used probably more by the local officers than by the travelling public. I am therefore of opinion that the maintenance of cooks at the Rest houses to provide meals to travellers on payment is quite an unnecessary and unsatisfactory arrangement and may be put a stop to immediately.

2. The next point for consideration is whether the Rest houses should be continued to be maintained by the Muzrai Department merely to provide accommodation

for travellers. At present the construction and maintenance of Musafirkhanas accommodation of travellers is attended to by the District Boards as one of the i timate functions of that body and I do not see the necessity for the Mu Department also taking up the work in addition I think therefore that all Rest-houses may be handed over to the District Boards for maintenance and if District Boards do not wish to take up any of them, they may be abolished altoget and the buildings disposed of by sale or made over to any other Department Government that may require them.

3. The question of nehimidars may be also considered in this connection. present the Nehimi charges in these Rest-houses amount to Rs. 4,412-4-0. How i these charges are regular and authorised and to what extent they may be reduc require thorough examination.

4. I therefore beg to submit the following proposals for the consideration an orders of Government :—

(*a*) that the 14 Rest-houses shown in statement (A) should be handed over t District Boards in consultation with them. Pending the completion o arrangements for their transfer only a care-taker on a pay no exceeding Rs. 8 per mensem with a contingent grant of Re. 1 a month may be entertained for them, the remaining establishment being forth-with dispensed with If the District Boards are not prepared to take up any of these buildings, the question of disposing of them by sale or by handing them over for the use of any of the other Departments of Government which may have use for them may be considered ;

(*b*) that the remaining Rest-houses numbering 10 as shown in statement (B) which have no suitable buildings at present and for which new building had been proposed to be constructed may be abandoned altogether , and

(*c*) that the list of nehimidars at each of these Rest houses may be thoroughly examined and scrutinized so as to reduce the number and the cost on account of nehimidars as far as possible.

5. If these arrangements are approved, they will result in a saving of Rs. 7,539 per annum immediately (including the sum of Rs. 2,100-8-0 set apart in para 4 of Government Proceedings No 804-17 M F. 177 14-10. dated the 11th October 1916 with a view to place on a footing of greater usefulness certain chattrams in the State situated at impo tant centres) and Rs 8,727 per annum eventually when the Rest-houses in statement (A) are handed over to the District Boards Besides, the cruting of the list of nehimidars, may be expected to result in a saving of Rs 1,000 to Rs 1,500 a year.

6 The savings effected as above may be utilized for providing additional funds required for feeding at Tirupathi, Maharaja's Chattram at Mysore, Tulamasa Santarpane at Seringapatam and Paschimavahini, Sivakoota at Nanjangud, and the Barahazar Santarpane at Subrahmanya proposals in respect of which will be elaborated and submitted for orders of Government separately '
